light will arise, if thou trust in the Lord, and wait patiently for Him. "Greater is He that is in you, than he that is in the world." So keep close to Him and victory will be won.

Charleston WOW Testimonies:

"Being in a group of women empowered and free in the Spirit was amazing!! I think women will be awakened to their God calling through your conferences. I felt at the conference that each speaker had been reading my mail."

Granddaughter saved, healed, & filled with the Holy Spirit!

"I have never felt more unity with the body of Christ as I did at Women of the Word. Nor have I ever felt the Spirit move in a group of believers as He did there."

Several ministries of different types were confirmed/birthing at the conference. One young woman felt the call to go to Israel and help a ministry there. She is currently raising support to go in December.

"My mom is doing great!!! She testifies that the "grave clothes" came off her at the conference and that she is alive again. Even her countenance is different - and people are coming up to her asking what has changed in her life! Mom is helping to organize a group of about 15 or so ladies/men that are making plans to attend Sandra's (Kennedy) upcoming conference and start a healing room here in North Charleston."

Barbara Benton will be speaking at 7 pm on October 30th at a free event in E. Longmeadow, MA!!
